

Sensitive Santa

Please join us for our 9th
Annual holiday event

Date: Monday, December 10, 2018
Time: Any time between 5:30 and 7:30 pm
(Reservations are NOT needed)
Location: South Allegheny Elementary School
1707 Washington Blvd.
McKeesport, PA 15133

This is a very special time to visit with Santa and is reserved for children with sensory integration needs. If your child has special needs when it comes to sensory triggers, please join us for our 9th Annual Sensitive Santa event. We want to help you and your family, experience the magic of Christmas. This means your child's visit with Santa will be more "sensory friendly" with lower lighting, quieter surroundings, and smaller setting. All children and their families will be able to visit Santa one family at a time. At this time, a photographer will capture the joyful moment and provide you with a free photo.

Please contact Christy Chicklo at 412-675-3070, ext. 2305 or cchicklo@southallegheny.org for additional information. Families do not need a reservation to attend Sensitive Santa.

Please share this information with educators, social workers or medical professionals who work with children with sensory integration needs. This is not a South Allegheny Student only program. We extend the invitation to all children with sensory integration needs, throughout the surrounding counties.

"Sensitive Santa" will allow children to experience the same enjoyment with Santa, but in a much calmer, less intimidating environment. Please help us spread the word about this wonderful event.
