### AUBERLE

Auberle is a faith-based non-profit organization located in McKeesport that houses 25 different programs and serves 4,000 individuals and families each year. At Auberle, we invest in young people and their families, believe in their potential, and offer help when needed. By building strong community partnerships and engaging the voices of people we serve, Auberle creates innovative opportunities and resources for individuals in need.

### THE SNAP<sup>®</sup> PROGRAM

SNAP<sup>®</sup> is a free early intervention program for boys and girls that are having behavioral issues at home, at school, and/or in the community. During the school year, the SNAP<sup>®</sup> Team at Auberle runs weekly sessions that teach kids in the community emotional regulation, coping skills, and behavior modification.

Parents also participate in weekly sessions that teach child management strategies. If you're interested, we're now recruiting for our 2019 Fall cohort! Call Kristen Hunninen at (412) 926-3823 to enroll.
