January 29th, 2021

Dear Parent/Guardian and Student:

On behalf of the Woodland Hills Senior High School Staff, I would like to take this time to recognize the beginning of the second semester as an opportunity to get a fresh start in terms of Virtual Instruction. We would like to celebrate students who have achieved success thus far and also encourage students who are performing below average to increase their attendance and participation with LIVE real time instruction. WHHS staff have been assigned an Advisory Caseload to help students identify resources and supports. We encourage all students to take advantage of Intervention Days (Tuesdays and Thursdays) to get individualized assistance as well as virtual after school tutoring. Please take note of important dates and events for the second semester.

REPORT CARDS AND MAP RESULTS MAILED HOME on Friday, 1/29/21

Seniors with the last name starting with the letter M to Z will be taken on Wednesday, February 10th, 2021.

*******Please refer to last page for arrival time*******

School and Home Communications.

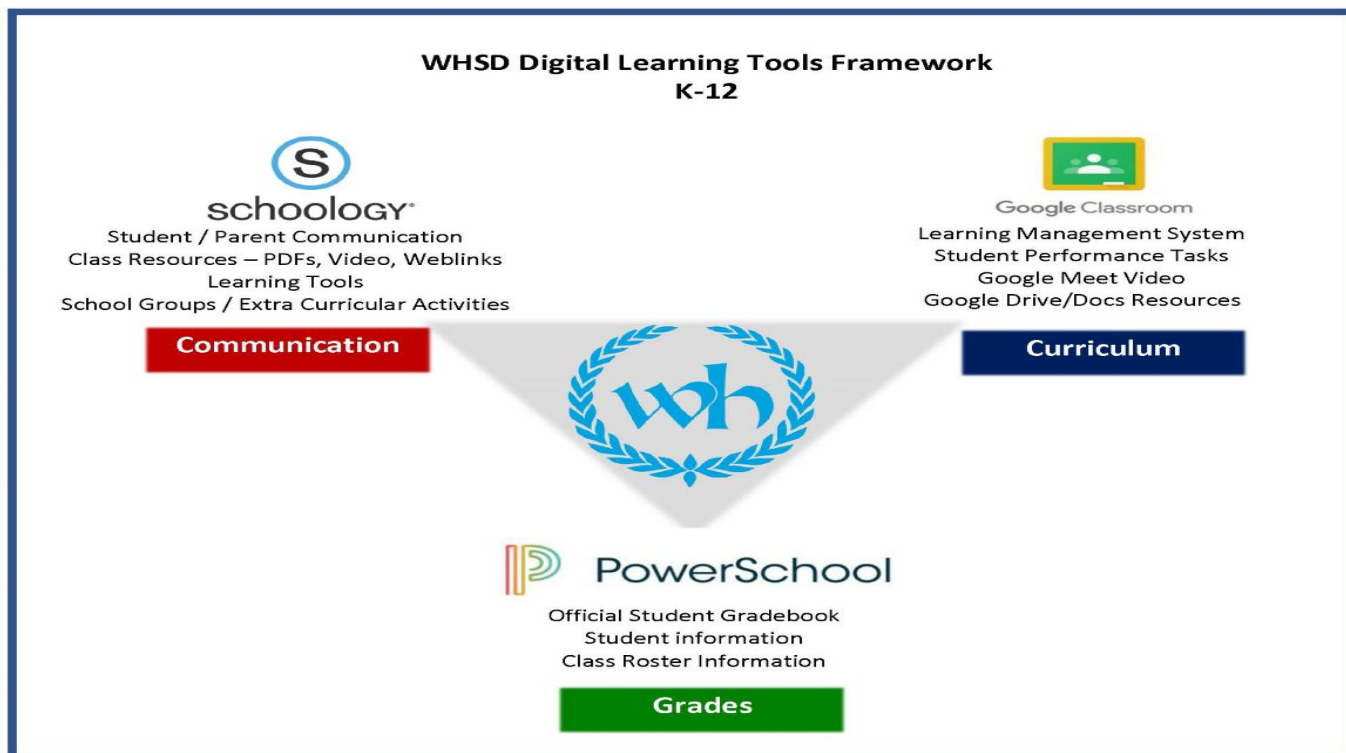

Please log on to your PowerSchool account to see your child's schedule and grades in real time. Communication between home and school is essential for your child's success. The majority of school wide announcements will be conducted utilizing Schoology. With that, we ask that you contact the school with any issues and concerns you may have. Administrators, faculty, and staff can be contacted by visiting or calling the Main Office or via email. Also, throughout the school year you will be receiving information and announcements regarding events and activities at the high school. We sincerely hope you encourage your student to get involved in school activities. Faculty members will be encouraged to contact the parents/guardians regarding any significant change (positive or negative) in a student's achievement or behavior. Please contact the appropriate school personnel any time you have a concern, problem or question. Finally, please provide the school with updated contact information as the information changes.

Social Emotional Supports.

We recognize that many students may be experiencing anxiety or fear about the current pandemic. We want to ensure that this does not interfere with their ability to learn and grow. We have support and information to provide for the needs of our students. Please contact Mrs. Irwin at irwike@whsd.net.

Resources for Students & Parents.
