Dear Parents/Guardians

On behalf of every one in the Woodland Hills School District, I would like to relay the message from our Governor and State School Superintendent that all Pennsylvania schools K-12 will be closed the remainder of our school calendar year.

This was an expected decision based on the current need to prevent the spread of the COVID-19 virus and the required home bound restrictions that have been enacted. The Woodland Hills School District is committed to supporting the safety and well-being of our employees, students and the communities we serve as we continue to navigate through this together. Therefore, the Woodland Hills School District will remain closed.

However, our closure does not mean we do not intend to instruct. Online instruction will begin April 14th by way of two learning platforms. Odysseyware (K-5) and Edgenuity (6-12) (Both programs come recommended by the Pennsylvania Dept of Ed. and are State approved curricula). The programs allow for a blended learning approach that our teachers will monitor and assist with as students complete various lessons, assessments and activities that are interactive. We expect to receive login information for all students and staff by Monday, and we will send out more information as soon as it’s available. Please look for a communication on Tuesday from your child’s educator(s) regarding their login information and classes.

Sincerely,

James P. Harris

James P. Harris, Superintendent
Woodland Hills School District
